Dear Akron Parents and Families,

Our district has established plans for returning Chromebooks, textbooks, library books, uniforms and any other learning resources checked out from the school. Musical instruments should be returned only if you are not continuing with the instrument or if you are a senior. Chromebooks should be returned in their cases. Only grades K, 1, 2, 4, 8 and 12 need to return their power supply cords. All other grades levels can keep the power cords for the next school year. Each building has outlined their plans in the descriptions below.
