*Superintendent of Schools*

March 24, 2021

Hello Akron Families,

Today, I created an informational video to provide you with an update on the district's planning for a possible change in NYSDOH guidelines. [To view that video please click this link.](#) Currently, we are seeking elementary parent input on a possible return to additional days of in-person learning. We kindly ask that elementary parents only [click this link and complete the survey](#) by Monday, March 29<sup>th</sup> at 4:00 PM. Completing this survey will help to inform our planning as we continue to update our facilities.

Should we receive information that would allow for changes at the secondary level, a separate survey will be provided to the parents of Middle and High school students.

As always, we will keep you informed of the process as we learn and adapt to changing guidelines.

Sincerely,

Patrick D. McCabe  
Superintendent of Schools
