Dear Akron Central School District Families,

Based upon the guidance of the Erie County Health Commissioner, the Akron Central School District is cancelling all school sponsored travel planned to destinations outside of Western New York (Erie, Niagara, Orleans, Cattaraugus, Chautauqua, and Allegany counties) due to concerns related to COVID-19. The ban on school-based travel applies to students and to staff, and will continue until further notice. Those teachers, coaches and advisors whose travel is impacted will be notified directly by their principal. Parents and students affected by these cancellations should contact their coach or trip advisor.

Additionally, effective immediately and until further notice, we are suspending all public Akron School District gatherings that include more than 50 people. Examples of public gatherings of more than 50 people that will be suspended are concerts, dances, public forums, and spectators attending sporting events.

Gatherings within our schools that include only our students and staff, such as lunches, assemblies, professional learning, student government meetings, etc. will continue as normal.

The circumstances around this looming public health challenge seem to change rapidly. We will take action according to those circumstances, with the guidance of public health officials, in an effort to assure the safety of everyone who learns, works and visits in our schools.

We will continue to communicate directly with families as events require.

Sincerely,

Patrick D. McCabe  
Superintendent of Schools
